Pat is a businessman and an attorney by education, and in his work encounters and serves a significant number of public school districts. Pat has shared that in his wide experience, Radnor Township School District is among the highest-performing school systems, an exemplary district he is pleased to support by giving generously as a corporate sponsor of the Radnor Educational Foundation. He admires our district as one that seeks to serve all of our students well, a place where parents, students, teachers, administrators and community members acknowledge and support the value of public education.

Pat's experience, conviction and long history of generous support help us understand the importance of vigilance. Because partners like Patrick deserve our vigilance - they know we as an organization have the energy, the dedication, and the compassion to be transformative in our work, and when Pat provides the resources year after year that make our work possible, that is an incredible gift. Pat makes us all believe in possibilities, and the board of trustees of the Radnor Educational Foundation can count on Pat because he gives with full confidence in the good we can do together. For this it is our honor to recognize Patrick V. Larkin with Radnor Educational Foundation's 2017 Partner in Excellence Award.
