

**TILE TALES : SHARING OUR GIFTS WITH OTHERS**  
**ITHAN ELEMENTARY SCHOOL TILE PAINTING WORKSHOP**  
**MONDAY, JUNE 4TH**  
**3:30-5:00**

For the past several years, Radnor students have been pen pals with students in rural Uganda. Last year, a very motivated group of students raised the funds to build a new restroom for their pen pals, and this summer, this new facility will be constructed. We are planning to decorate the inside of this latrine with hand-painted tiles, decorated by members from our community as a gift to the kids at the Bupala School. So excited to paint tiles with Ithan Elementary school students! Will be a fun filled afternoon!

Tile Tales workshops have been conducted at RMS throughout the township during the month of May & June. Please join us and send your message of love and hope to our friends in Uganda. Each tile is a 6" x 6" bisque tile; there will be a variety of colored glaze to apply to the tile with brushes. ***There is a \$10 donation for each tile.*** If you are unable to attend one of the workshops but would like to design a tile, some of the talented pen pals at RMS and RHS will execute your design for you. If you would simply like to donate a tile and leave the decorating up to the students, we're happy to oblige. ***Thank you Ithan Elementary School for supporting this wonderful initiative! Hope to see you all there! All ages welcome!***

***\*\*\*All children attending must have a note to their teacher so children can be escorted to the cafetorium at dismissal time.***

Kindly make your ***tax deductible checks payable to RADNOR EDUCATIONAL FOUNDATION, or include cash payment with the form below.*** Please return form & payment in child's backpack by **WEDNESDAY, MAY 30th.**

For more information about this project, check out our blog at [www.penpaluganda.blogspot.com](http://www.penpaluganda.blogspot.com) or our **FB page at <http://www.facebook.com/UgandaPenPalClub>**

***This is the latrine we are replacing***
